MYP 5 (secondary 5 students) have additional requirements. All MYP 5 students must complete a Personal Project. Additionally, students following the enriched path will need to complete the following elements in order to be eligible for the Official IB certificate:

- E Portfolios in Language Acquisition (French) and Physical and Health Education.
- Completed and passed On-screen exams in Mathematics, Language and Literature (English), Language Acquisition (French), Science, Individuals and Societies (Integrated Humanities) and Interdisciplinary. If they meet the requirements of the certificate (a minimum of 3 in each subject and a total of 28 marks) they will receive their certificate at graduation in October.

**** The grades for the elements listed above are only made available to the school in the Fall of the next school year. They are assessed and moderated externally by IB.
