GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

- In compliance with the [Quebec Education Act](#) (QEA), the main purpose of the ABAV plan must be to prevent and stop all forms of bullying and violence targeting a student, a teacher or any other school staff member, **in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic.** This plan specifies the duties and responsibilities of the relevant parties of the school **community** and the school **partners** in achieving this.
- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.
- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.
- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.
- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

School Partners:

-LBPSB Policy on Safe and Caring Schools

DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”
<https://www.legisquebec.gouv.qc.ca/en/document/cs/p-22.1>

Racism

- “Corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racist discourse is usually based on real or presumed physical and cultural differences.” ([MIDI, 2015](#))

Discrimination

- “Every person has a right to full and equal recognition and exercise of his human rights and freedoms, without distinction, exclusion or preference based on race, colour, sex, gender identity or expression, pregnancy, sexual orientation, civil status, age except as provided by law, religion, political convictions, language, ethnic or national origin, social condition, a handicap or the use of any means to palliate a handicap. Discrimination exists where such a distinction, exclusion or preference has the effect of nullifying or impairing such right.” ([Charter of Human Rights and Freedoms, section 10](#))
